Psychological Services. It was recommended that he attend monthly treatment sessions along with monthly drug testing.

WILLIAMS has violated Standard Condition Number 7: “You must work full-time (at least 30 hours per week) at a lawful type of employment unless the probation officer excuses you from doing so. If you do not have full-time employment you must try to find full-time employment, unless the probation officer excuses you from doing so. If you plan to change where you work or anything about your work (such as your position or your job responsibilities), you must notify the probation officer at least 10 days before the change. If notifying the probation officer at 10 days in advance is not possible due to unanticipated circumstances, you must notify the probation officer within 72 hours of becoming aware of the change or expected change.”

Since the inception of supervised release on August 20, 2021, WILLIAMS has been employed with three different employers.

In response to violating his supervised release with drug use and to unemployment, it is the recommendation of the United States Probation Department that the offender’s conditions be modified to include up to 180 days confinement at a Residential Reentry Center (RRC), if necessary. The offender will be placed in the RRC, if he continues to submit positive urine samples and fails to secure legal employment.

It is hoped that the offender’s placement in the RRC will provide a more structured environment, which will include regular drug testing, obtaining, and maintaining employment, as well as encouraging and promoting a stable lifestyle. This matter has been discussed with the offender and after having been advised of his right to consult with counsel, he has agreed to the modification of his conditions of supervised release and has signed the attached Probation 49, Waiver of Hearing to Modify Conditions of Probation/Supervised Release. This writer believes that residing in a residential reentry center will provide a controlled environment, which will restrict his access to illegal drugs and hold him more accountable for his activities.

The probation department will monitor the offender and his progress in the community. If the offender fails to comply with the rules and regulations set forth by the Court and/or the RRC, the Court will be notified with an appropriate recommendation.

A criminal record check completed through Access to Law Enforcement Systems (ATLAS) conducted on March 3, 2022, revealed no new criminal activity.

If your Honor agrees with this recommendation, please indicate below, and return this correspondence to the probation department. If your Honor does not agree, please indicate below, and direct the probation department as to how the Court wishes to proceed.

## United States District Court

Eastern District of Michigan

### Waiver of Hearing to Modify Conditions of Probation/Supervised Release or Extend Term of Supervision

☒ I have been advised and understand that I am entitled by law to a hearing and assistance of counsel before any unfavorable change may be made in my Conditions of Probation and Supervised Release or my period of supervision being extended. By "assistance of counsel," I understand that I have the right to be represented at the hearing by counsel of my own choosing if I am able to retain counsel. I also understand that I have the right to request the court to appoint counsel to represent me at such a hearing at no cost to myself if I am not able to retain counsel of my own choosing.

I hereby voluntarily waive my statutory right to a hearing and to assistance of counsel. I also agree to the following modification of my Conditions of Supervised Release or to the proposed extension of my term of supervision:

**"As a condition of supervised release, the defendant shall be placed at a residential reentry center for a period up to 180 days. Subsistence is waived. While at the residential reentry center (RRC), the defendant shall be allowed to earn social time if in compliance with all facility criteria and probationary standards, if necessary."**
